

D&D

Join your friends on an epic quest to find powerful artifacts, defeat the forces of evil, and ultimately save the world. Woodbrook Academy, New England's only school for the magically inclined, has fallen under a mysterious siege, sapping the students of their happiness, their creativity, and the very essence of their magic. As dark forces descend upon the school, it is up to the students to defend their home, taking them on a journey across many fictional

and exotic lands in search of a way to make things right again. This modified Dungeons and Dragons campaign will feature a rich, malleable story; several notable characters and locations; and thoughtful, strategic magic-based combat scenarios. Only you can find a way to return the light. Only you can save Woodbrook from the shadows that plague it. The question is... Are you ready to enroll? *Please note: this class has a minimum enrollment of 4 and a maximum capacity of 8.*
