

STOP Skill

Stop - Do not just react. Stop! Freeze! Do not move a muscle! Your emotions may try to make you act without thinking. Stay in control!

Take a step back - Step back from the situation. Take a break. Let go. Take a deep breath. Do not let your feelings make you act impulsively.

Observe - Notice what is going on inside and outside you. What is the situation? What are your thoughts and feelings? What are others saying or doing?

Proceed mindfully - Act with awareness. In deciding what to do, consider your thoughts and feelings, the situation, and other people's thoughts and feelings. Think about your goals. Ask yourself: Which actions will make it better or worse?

Note. Adapted from an unpublished worksheet by Francheska Pereplechikova and Seth Axelrod, with their permission.
